

CONTENTS OF VOLUME 22

Number 1

- Accumulation and Distribution of Biogenic and Pollutant Hydrocarbons, PCBs and DDT in Tissues of Western Mediterranean Fishes 1
J. ALBAIGÉS, A. FARRÁN, M. SOLER, A. GALLIFA
and P. MARTIN (Spain)
- Procédure Optimisée Hors-Contaminations pour l'Analyse des Eléments Nutritifs Dissous dans l'Eau de Mer 19
R. KEROUEL and A. AMINOT (France)
- Georges Bank Monitoring Program: Hydrocarbons in Bottom Sediments and Hydrocarbons and Trace Metals in Tissues 33
CHARLES R. PHILLIPS, JAMES R. PAYNE, JAMES L. LAMBACH,
GARRY H. FARMER and ROBERT R. SIMS, Jr (USA)
- Nearshore Hypoxia in the Bottom Water of the Northwestern Gulf of Mexico from 1981 to 1984. 75
LYNN POKRYFKI and ROBERT E. RANDALL (USA)

Number 2

- A Hazard Assessment of Chemically Dispersed Oil Spills and Seabirds 91
D. B. PEAKALL, P. G. WELLS and D. MACKAY (Canada)
- Hemocytes of *Mytilus edulis* Affected by Prudhoe Bay Crude Oil Emulsion 107
M. GERALDINE McCORMICK-RAY (USA)
- Simultaneous Exposure of English Sole (*Parophrys vetulus*) to Sediment-Associated Xenobiotics: Part 2—Chronic Exposure to an Urban Estuarine Sediment with Added ³H-Benzo[a]pyrene and ¹⁴C-Polychlorinated Biphenyls 123
JOHN E. STEIN, TOM HOM, EDMUNDO CASILLAS,
ANDREW FRIEDMAN and USHA VARANASI (USA)
- Selenium Content of Marine Food Chain Organisms from the Coast of China 151
D. L. LIU, Y. P. YANG, M. H. HU (People's Republic of China),
P. J. HARRISON and N. M. PRICE (Canada)

Number 3

- Elevated Circulating Erythrocyte Micronuclei in Fishes from Contaminated Sites off Southern California. 167
JO ELLEN HOSE, JEFFREY N. CROSS, STEVEN G. SMITH
and DARIO DIEHL (USA)

- Effects of a Tanker Accident and an Oil Blowout in Bristol Bay, Alaska, on Returning Adult Sockeye Salmon (*Oncorhynchus nerka*)—A Simulation Study . . . 177
NICHOLAS J. BAX (USA)
- Preliminary Evaluation of Macrophase Pinocytosis as a Technique to Monitor Fish Health 205
BEVERLY ANNE WEEKS, ANISA S. KEISLER,
J. ERNEST WARINNER and ELAINE S. MATHEWS (USA)
- A Simple Model for Pollutant Dispersal from a Sea-floor Source in the Presence of Bottom and Interior Scavenging 215
CHRISTOPHER GARRETT (Canada)
and JOHN SHEPHERD (Great Britain)
- Short Communication**
- Rapid Narcosis and Delayed Mortality in Larvae of King Crabs and Kelp Shrimp Exposed to the Water-Soluble Fraction of Crude Oil 233
CHRISTINE BRODERSEN

Number 4

- Editorial 241
- Mortality and Quantitative Aspects of Storage Cell Utilization in Mussels, *Mytilus edulis*, Following Exposure to Diesel Oil Hydrocarbons 243
D. M. LOWE and R. K. PIPE (Great Britain)
- Effects of Dietary and Water-borne Oil Exposure on Larval Pacific Herring (*Clupea harengus pallasii*) 253
MARK G. CARLS (USA)
- Selected Chemical Contaminants in Surface Sediments of Commencement Bay and the Tacoma Waterways, Washington, USA 271
DONALD W. SCHULTS, STEVEN P. FERRARO,
GEORGE R. DITSWORTH and KATHLEEN A. SERCU (USA)
- Relationships Between Macroalgal Biomass and Nutrient Concentrations in a Hypertrophic Area of the Venice Lagoon 297
A. SFRISO, A. MARCOMINI and B. PAVONI (Italy)
